Episode Synopsis

Wink and his best friend **Blink** are unique costumed characters inspired by great comedy duos like Laurel & Hardy and Abbott & Costello. Wink & Blink live in the **Land of Imagination** with their pal **Magic Door** (a talking door). Each episode begins when Magic Door challenges Wink & Blink to play **Magic Door's Favorite Game**.

The game is simple and fun. In each episode Magic Door challenges Wink & Blink to figure out his favorite thing, like his favorite fire safety lesson or his favorite animal at the zoo. To get the game started, Magic Door hides the **Three Magic Keys**. The Magic Keys reveal clues Wink & Blink need to guess Magic Door's favorite thing. To help them find the Keys, Wink & Blink travel to the **Real World** to enlist the help of **Three Kids Adventurers**. And they even talk directly to the kids at home, inviting young viewers to play the game, too.

Once the team is assembled the first stop is Wink & Blink's **Magic Movie Theater**. The Magic Movie Theater “transports” the team to real locations where they search for the Three Magic Keys. Along the way they visit exciting places like a garbage truck factory, a world-famous zoo or a big city fire station. Finally, after they've found all three Magic Keys it's time to guess Magic Door's favorite thing. And at the end of the episode, the kids use the Keys to open Magic Door to see if they guessed right. How cool!
